COMMANDER'S CORNER

Hello everybody, Hope your holidays went great. I want to say thank you to ALL the people who gave their time to make our Christmas basket drive a successful one again this year.

Also, to those who made our Christmas party fun and enjoyable. Our post needs more volunteers to keep our post successful and thrive.

Don't forget membership dues for 2025 are due by January 1st. Hope everyone has a wonderful 2025.

If you miss paying your dues get them paid before the end of the month so that you name will get into the hopper for the daily member drawing.

As we start off the new year we will be working on getting applications out for Texas Boys State, volunteers to head up that program will be needed.

Until next time, I leave you with this thought: "Our prime purpose in this life is to help others. And if you can't help them, at least don't hurt them." —Dalai Lama

AUXILIARY HEADLINES

Thank you all who helped make the children's gifts. A Big Thank you to Grenadier Homes for their participation in our children's gifts.

As we move into the new year we have to focus on a few things. Our next project will be scholarship and girl's state. We will need a committee to choose the recipients. We will need to raise more money for the Christmas of 2025 children. As we had many more children to purchase for.

Any and all ideas are welcome and appreciated for fund raising. The auxiliary has breakfast this month so please show up and help if you can.

This is the month to pay your 2025 dues, or you will not be able to use the canteen service, and your name will not go into the hopper when we update it in the first days of February.

We need volunteers for Queen of Hearts. Please put your name on the calendar to volunteer.

Until next time, I leave you with this thought: "Instead of worrying about what you cannot control, shift your energy to what you can create." —Roy T. Bennett

SQUADRON NEWS

Good day, let me start off by saying thanks to all who attended our meeting Saturday, it was a great meeting with great support, let's keep it going and make it stronger. A lot was discussed, and we are moving forward with a lot of progress within the membership support, along with some awesome events being planned, but we could use more support with these things being discussed and maybe more new ideas.

Renew your dues before the end of the month. So that your name can get into the hopper for the member of the day drawing, we will be changing out the names in February.

As we begin the new year our next project will be scholarships and we will be looking for some volunteers to assist in selecting once applications start coming in.

I would like to take this opportunity to thank every one of those volunteers, it takes a strong person to show up, step up and ask what I can do or what would you like me to do. Once again thanks for all that support.

Lastly, check the calendar and video board for any and all upcoming events, looking forward to seeing all at our next meeting, to kick off the new year.

Until next time, I leave you with this thought: "If you don't like something, change it. If you can't change it, change your attitude." —Maya Angelou

Thanks, and May the Force be with you!

RIDERS REPORT

Howdy Riders! I hope everyone had a great Christmas and will have a safe and prosperous New Year! We had a great Christmas Party this year, what a turnout! We missed those that couldn't attend.

I would like to again congratulate Brenda and Gunny on their wedding. What a great time. Also, welcome our new members: Doyle and Kelly, Jimmy and Tracey, and Stephen.

Don't forget that we have our cook night on Friday, January 6th. If you can help, please show up about 4:30 pm. If not, come out and eat a burger from 5:30 - 7:30. (Unless we run out before 7:30)

Until next time, I leave you with this thought: "I really love to ride my motorcycle. When I want to just get away and be by myself and clear my head, that's what I do." — Kyle Chandler
